

Reading Council of Greater Winnipeg

A local council of the International Literacy Association
A Special Area Group of Educators of the Manitoba Teachers' Society

Award Guidelines

The Reading Council of Greater Winnipeg (RCGW) has an annual awards program to recognize those who have made valuable contributions to literacy in our province. The awards are presented at the annual awards celebration in the spring. The deadline for this year's award nominations is **Friday, April 28, 2023**. Consider nominating a deserving individual/organization for one of these awards:

Certificate of Merit

This award recognizes educators who have made outstanding achievements in the areas of classroom teaching, teacher education, or research.

Connie L. Dziedzic Memorial Life Membership

This award is presented to Reading Council of Greater Winnipeg members upon professional retirement or departure from the geographic area served by the RCGW, for their longstanding service and dedication to the council. This award is intended to honour RCGW Board of Directors and Council Committee members.

Honourary Membership

This award recognizes community leaders who have raised community awareness of the importance of reading.

ILA Celebrate Literacy Award

The Celebrate Literacy Award recognizes organizations, institutions, and individuals who have made significant literacy contributions at the local or provincial level. We hope the celebration will familiarize the public with literacy activities in the community and call attention to the work that is being done by the schools and the International Literacy Association to promote literacy worldwide.
